Eriez® Announces Promotion of Mike Shattuck to Project Manager- Heavy Industry

Erie, Pa.—Charlie Ingram, Eriez' Vice President of Sales and Marketing, announces the promotion of Mike Shattuck to the position of Project Manger-Heavy Industry. "Mike is already involved with resource recovery projects, particularly those involving the new line of *ProSort*, *FinesSort™* and EcoTowerSort® Metal Recovery Systems. In his new role, he will now handle other projects in the Heavy Industry Division pertaining to processing and equipment systems," said Ingram.

Shattuck has been a part of the Eriez team since 2006 when he joined as a Technical Sales Representative. "During his career at Eriez, Mike's involvement in the sales, installation and operation of the *ProSort* and *FinesSort* metal sorters has helped to position Eriez as a leader in the metal recovery business," said Ingram.

"We are confident that Shattuck's intimate knowledge of the recycling industry will be an invaluable resource to help the company better reach out to customers," said Ingram. He added, "We are lucky to have Mike in the Eriez family."
